Please see below re: the Homeless Count in 2 weeks. More volunteers are still needed. We put this in the e-blast last week but this is good info to share as part of your field report, etc.

Good Afternoon,

Thank you once again for reaching out on behalf of Councilmember Mitch O'Farrell, we are excited to have him join us on Jan 24th at the Hollywood Homeless Count.

I am reaching out in regards of volunteer recruitment. We are only a few weeks away from the count and are about 50% of the way to our volunteer goal. I would greatly appreciate it if you could send out an email to your networks with our attached flyer in efforts to recruit about 100 more volunteers.

I have attached a flyer below, with more information as well as the link you can use to sign up to volunteer. I have also attached an email template.

Thank you,
Andrea Barahona
